R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF NABU MANUFACTURING CORPORATION
AND NABU NETWORK CORPORATION

RULING
(Section 73)

UPON the application of Nabu Manufacturing Corporation ("Nabu") and of Nabu Network Corporation ("Network") to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R.S.O. 1980, chapter 466 (the "Act") in respect of the proposed issue, distribution and resale of common shares of Network incidental to a proposed reorganization of Nabu;

AND UPON Nabu having represented to the Commission that:

- A. Nabu is incorporated under the Canadian Business Corporations Act, is a reporting issuer under the Act with its common shares listed on The Toronto Stock Exchange and is not on the list of defaulting reporting issuers maintained pursuant to subsection 71(9) of the Act;
- B. Network is incorporated under the Canada Business Corporations Act and is a wholly owned subsidiary of Nabu;
- C. Nabu is in the course of a reorganization (the "Reorganization") as described in a Management Proxy Circular dated October 20, 1983 mailed to the Nabu shareholders in connection with an Annual and Special Meeting of the shareholders to approve, inter alia, the Reorganization;

- D. as a result of the Reorganization the business of Nabu will be segregated into separate corporate entities, Nabu and Network;
- E. Nabu has obtained commitments from a group of lenders (the "Lenders") to purchase convertible debentures (the "Debentures") from Nabu in connection with the Reorganization, conditional upon the approval thereof by the Nabu shareholders which approval was given on November 17, 1983;
- F. in connection with the issue of the Debentures and the Reorganization, common shares of Network will be issued to the Lenders in an amount equal to the number of common shares of Nabu which will be issued to the Lenders if the Debentures held by them are fully converted; and
- G. incidental to the Reorganization, common shares of Network held by Nabu will be distributed to the shareholders of Nabu on a share for share basis so that the number of Network shares held by the Nabu shareholders will equal the number of Nabu shares held by such shareholders on the record date for such distribution;

AND UPON the Lenders having represented to the Commission that they are aware of and accept the resale restrictions set forth in this ruling;

AND UPON reading the application and the recommendation of the staff of the Commission;

AND UPON being satisfied that to so rule would not be prejudicial to the public interest;

- 2. the distribution by Nabu to its shareholders of common shares of Network incidental to the Reorganization is not subject to the requirements of section 24 or 52 of the Act;
- 3. the first trade in common shares of Network distributed by Nabu to its shareholders who are not Lenders in connection with the Reorganization is a distribution unless:
 - (i) at the time of such first trade, the common shares of Network are listed on The Toronto Stock Exchange and, where a person or company in a special relationship with Network, as defined in section 75 of the Act, is the seller, he or it has reasonable grounds to believe that Network is not in default of any requirement of the Act or the regulations made thereunder;
 - (ii) disclosure of the distribution by Nabu to its shareholders of the common shares of Network is made to the Commission within ten business days following the completion of such distribution;
 - (iii) such trade is not a distribution as defined in subparagraph 1(1) 11(iii) of the Act; and
 - (iv) no unusual effort is made to prepare the market or to create a demand for the common shares and no extraordinary commission or consideration is paid in respect of the trade; and

4. the first trade by a Lender in common shares of Network acquired in connection with the issue of the Debentures and the Reorganization is a distribution unless:
- (i) the provisions of subsection 71(4) of the Act have been complied with as if such provisions applied to such first trade; and
 - (ii) such trade is not a distribution as defined in subparagraph 1(i) 11(iii) of the Act.

AND

IN THE MATTER OF TREND CAPITAL SERVICES INC.
and ALBERT ALLISON

NOTICE OF HEARING
(Section 26)

TAKE NOTICE that the Ontario Securities Commission will hold a hearing at its offices on the 18th floor, 20 Queen Street West, in the City of Toronto, on Wednesday, the 11th day of January, 1984 at 10:00 o'clock in the forenoon, or so soon thereafter as the hearing can be held, to consider whether it would be in the public interest to suspend, cancel, restrict or impose terms and conditions on the registration of TREND CAPITAL SERVICES INC. and/or ALBERT ALLISON (the "Registrants") pursuant to the provisions of section 26 of the Securities Act, R.S.O. 1980, c.466 (the "Act") by reason of the following allegations:

1. during the period from August, 1983 to November, 1983, the Registrants, by means of certain trades in shares of Western Resources Minerals Limited made through the facilities of the Alberta Stock Exchange, improperly caused the market price of such shares to increase;
2. during the period from August, 1983 to November, 1983, the Registrants failed to act in the best interests of their clients in soliciting clients to purchase shares of Western Resources Minerals Limited; and
3. TREND CAPITAL SERVICES INC. failed to establish procedures for dealing with its clients as required by section 102 of the regulation made under the Act.

AND TAKE NOTICE that upon the failure of the Registrants, or either of them, to attend at the time and place aforesaid, the Commission may proceed in their absence and they may not be entitled to any further notice in the proceedings.

1.2 PRESS RELEASE

1.2.1 TREND CAPITAL SERVICES INC.

January 11, 1984.

TREND CAPITAL SERVICES INC.

The Ontario Securities Commission has announced that the hearing dealing with the suitability for registration under the Securities Act of Trend Capital Services Inc., a securities dealer, and Albert Allison, the President, principal shareholder and a director of Trend Capital, has been adjourned on consent to Wednesday, March 28, 1984. Mr. Allison's agreement to play no part whatsoever in the business of Trend Capital, and the suspension of Mr. Allison's registration under the Act, will continue until completion of the hearing.

1.3 MUTUAL FUNDS - MANAGER TO SIGN PROSPECTUS

MUTUAL FUNDS - MANAGER TO SIGN PROSPECTUS

At the present time, most preliminary prospectuses and prospectuses offering securities of mutual funds are signed by the manager of the mutual fund in its own right and not only as a trustee signing on behalf of the fund, but this practice is not universal. Paragraph 126(1)(e) of the Securities Act imposes civil liability for a misrepresentation in a prospectus upon every person or company who signs the prospectus. Since the manager of a mutual fund is the person who has knowledge of its affairs, the Commission is of the view that the manager should bear some direct responsibility for the contents of the prospectus. Consequently, the Commission is proposing to amend O.S.C. Policy Statement 11.1 (Mutual Funds - General Prospectus Guidelines) to require that every prospectus filed to qualify the distribution of securities of a mutual fund be signed by the manager of the mutual fund. It should be noted that where the word "prospectus" is used in O.S.C. Policy Statements, it means both a preliminary prospectus and a final prospectus, unless the context otherwise requires.

A draft amendment to O.S.C. Policy Statement 11.1 (which would be paragraph M of the policy statement) which reflects the Commission's proposal has been prepared and is published in Chapter 5 of this issue of the OSC Bulletin. Comments on this draft amendment are requested and should be forwarded to the Secretary of the Commission on or before February 10, 1984.

CHAPTER 2

DECISIONS, ORDERS AND RULINGS

2.1 THE TORONTO FUTURES EXCHANGE

THE TORONTO FUTURES EXCHANGE

The Ontario Securities Commission (the "Commission") has granted registration to The Toronto Futures Exchange (the "TFE") as a Commodity Futures Exchange under the Commodity Futures Act (the "CFA"), on January 10, 1984. The Commission has also recognized the TFE as a self-regulatory body ("SRO") under the CFA. The TFE is the first exchange to be created in Ontario since 1898.

The CFA was promulgated as of September 1, 1979. The Toronto Stock Exchange has been registered as a Commodity Futures Exchange since June 16, 1980. The Toronto Futures Exchange Act was proclaimed in force on October 21, 1983. The registration of the TFE by the Commission accordingly represents the culmination of substantial efforts to date in the development of the commodity futures marketplace in Ontario.

The thirteen Orders which have been issued by the Commission and the Deputy Director, Commodity Futures, with respect to the TFE, are found on the following pages. Trading is scheduled to commence on the floor of The Toronto Futures Exchange on January 16, 1984.

2.15 INTERPRETATION NOTE

INTERPRETATION NOTE: S.32(1)(a) of the
Commodity Futures Act

Section 32(1)(a) of the Commodity Futures Act reads as follows:

Subject to the regulations,
registration is not required in respect
of,

(a) a trade in a contract by a
hedger through a dealer...

The terms "contract", "hedger", and "dealer", are all defined in section 1 of this statute.

A "contract" includes both a commodity futures contract and a commodity futures option. "Hedger" has a rather lengthy definition, and it is important to note that a hedger remains a hedger whether or not any particular trade is effected for the purpose of hedging; that is to say, that a hedger remains a hedger even where a specific trade (in the commodity or related commodity) is for speculative purposes. A "dealer" is defined as a person or company that trades in contracts in the capacity of principal or agent. It is important to note that in paragraph 32(1)(b), reference is made to a "registered dealer".

The Ontario Securities Commission interprets paragraph 32(1)(a) to mean the following: registration is not required in respect of a trade in a commodity futures contract or a commodity futures option by a person or company who meets the definition of hedger in the Commodity Futures Act, where such trade is through a dealer; the dealer need not be registered under the Commodity Futures Act, but can be, and the specific trade need not be for hedging purposes (provided that the trade is in the commodity being hedged or a related commodity).

AND

IN THE MATTER OF HAMMERSON CANADA INC.

ORDER
(Section 99)

UPON the application of Hammerson Canada Inc. ("Hammerson"), a company incorporated under the laws of Canada, to the Ontario Securities Commission (the "Commission") pursuant to section 99(e) of the Securities Act, R.S.O. 1980, c.466 (the "Act") for an order exempting Hammerson from certain requirements of Part XIX of the Act with respect to Hammerson's proposed offer (the "Offer") to purchase all of the common shares of Mascan Corporation ("Mascan") on the basis, for each Mascan common share, of \$15.00 cash and a warrant ("Warrant") of 128508 Canada Limited ("Newco") to purchase one common share of Newco at a price of \$4.65;

AND UPON Hammerson representing to the Commission that:

1. Hammerson is a wholly-owned subsidiary of The Hammerson Property Investment and Development Corporation plc, a reporting issuer under the Act whose shares are listed on The Toronto Stock Exchange;
2. Hammerson is proposing to offer to each of the Mascan common shareholders cash and a warrant on the basis described above;
3. Immediately after Mascan common shares are taken up under the offer, certain assets ("Newco Assets") located outside the City of Mississauga and currently held by Mascan are to be transferred to Newco;
4. The Offer will be subject to conditions in favour of Hammerson, certain of which are in addition to those permitted under section 89(1)12 of the Act, and will appear in the Offer substantially as follows:

"Hammerson Canada reserves the right not to take up and pay for any Mascan Shares deposited hereunder if: (a) fewer than 90% of the Mascan

Shares are on deposit at the Expiry Time; or (b) there exists at the time for taking up and paying for the Mascan Shares under the Offer any prohibition at law against taking up and paying for the Mascan Shares deposited; or (c) prior to the Expiry Time, the proposal under the Bankruptcy Act previously accepted by the creditors of Mascan shall not have been approved by the Supreme Court of Ontario without any appeal having been taken against such approval within the time limited for such appeal; or (d) prior to the Expiry Time, the Supreme Court of Ontario shall not have expressly consented to or otherwise approved the transfer of the Newco Assets to Newco and shall not have approved the appointment of Hammerson nominees as directors of Mascan; or (e) any undisclosed action or omission prior to the date of the Offer or any action subsequent to the date of the Offer by a person or company, other than Hammerson Canada, including a governmental or regulatory authority, or by Mascan and its directors or senior officers, results in a material change in the affairs of Mascan."

AND UPON the Commission being of the opinion that it would not be prejudicial to the public interest to do so;

IT IS ORDERED pursuant to section 99(e) of the Act that Hammerson be and hereby is exempted from the requirements of section 89(1)12 of the Act provided that the conditions attaching to the Offer as set out in paragraph 4 above or to substantially the same effect as such conditions be the only conditions to which the Offer is subject, and further provided that the Offer is sent to the offeree holders of Mascan common shares not later than January 14, 1984.

2.7 AMERICAN TELEPHONE AND TELEGRAPH COMPANY ET AL

IN THE MATTER OF THE SECURITIES ACT,
R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF AMERICAN TELEPHONE
AND TELEGRAPH COMPANY

AND

IN THE MATTER OF
AMERICAN INFORMATION TECHNOLOGIES CORPORATION,
BELL ATLANTIC CORPORATION,
BELLSOUTH CORPORATION,
NYNEX CORPORATION
PACIFIC TELESIS GROUP,
SOUTHWESTERN BELL CORPORATION
AND US WEST, INC.

RULING
(Section 73)

UPON the application of American Telephone and Telegraph Company ("AT & T") to the Ontario Securities Commission (the "Commission") pursuant to section 73 of the Securities Act, R.S.O. 1980, c. 466 (the "Act") for a ruling in respect of certain trades in the common stock of each of American Information Technologies Corporation, Bell Atlantic Corporation, NYNEX Corporation, BellSouth Corporation, Pacific Telesis Group, Southwestern Bell Corporation and US West, Inc. (referred to collectively herein as the "regional holding companies") to be distributed by AT & T to its common shareholders pursuant to the Plan of Reorganization (as hereinafter defined);

AND UPON it appearing to the Commission that:

1. AT & T is a corporation incorporated under the laws of the State of New York, and is not a reporting issuer under the Act;
2. American Information Technologies Corporation, Bell Atlantic Corporation, NYNEX Corporation and Southwestern Bell Corporation are corporations incorporated under the laws of the State of Delaware; BellSouth Corporation is a corporation incorporated under the laws of the State of Georgia; Pacific Telesis Group is a corporation incorporated under the laws of the State of Nevada; and US West, Inc. is a corporation incorporated under the laws of the State of Colorado;
3. None of the regional holding companies is a reporting issuer under the Act;
4. The common stock of each of the regional holding companies will be listed and posted for trading on the New York Stock Exchange and certain other regional stock exchanges in the United States of America (collectively the "Exchanges");
5. Pursuant to a court order of the United States District Court for the District of Columbia (the "Court") and a Court approved Plan of

Reorganization (the "Plan of Reorganization"), on January 1, 1984, AT & T will divest itself of the exchange telecommunications, exchange access and printed directory advertising portions of its 22 wholly owned subsidiary Bell operating telephone companies (the "BOC Subsidiaries"), as well as its cellular advanced mobile communications service business. To accomplish divestiture the BOC Subsidiaries are being reorganized and will be transferred to the seven newly formed regional holding companies. On January 1, 1984, ownership of the regional holding companies will pass from AT & T directly to its common shareholders by way of a stock distribution whereby each AT & T common shareholder will receive from AT & T one common share of each regional holding company for each ten common shares of AT & T held, while retaining the same number of AT & T common shares. In addition, pursuant to the Plan of Reorganization AT & T common shareholders with accounts of at least ten but fewer than 500 AT & T common shares will be given the option to consolidate their regional holding company shareholdings by selling shares of one or more regional holding companies and buying shares of one or more regional holding companies;

6. All shareholders of AT & T will receive a copy of the Information Statement and Prospectus of AT & T dated November 8, 1983 relating to the Plan of Reorganization and proposed distribution of common stock of the regional holding companies;
7. Based on AT & T's share records as of September 30, 1983, there are approximately 4,683 common shareholders of record of AT & T with addresses in Canada, representing approximately 0.16% of the approximately 3 million common shareholders of record of AT & T;

AND UPON the Commission being satisfied that to so rule would not be prejudicial to the public interest;

NOW THEREFORE IT IS RULED that the distribution by AT & T of common stock of each of the regional holding companies to its common shareholders resident in Ontario pursuant to the Plan of Reorganization is not subject to section 24 or 52 of the Act, provided that:

1. the Information Statement and Prospectus of AT & T and any other information relating to the divestiture and reorganization pursuant to the Plan of Reorganization which will be provided to the holders of common shares of AT & T resident in the United States of America be sent to the holders of common shares of AT & T resident in Ontario and copies thereof shall be filed with the Commission;
2. the first trades in common stock of the regional holding companies received by holders of common shares of AT & T resident in Ontario pursuant to the Plan of Reorganization are made through the facilities of the Exchanges, or such other stock exchange in the United States on which such common stock of the regional holding companies is then listed and posted for trading, in accordance with the rules, by-laws and regulations of such exchanges and applicable state and federal laws of the United States; and

3. AT & T delivers a written explanation of the condition in paragraph 2 of this Ruling to the holders of Common Shares of AT & T resident in Ontario prior to or concurrently with the issue of Shares of the regional holding companies to such shareholders; and
4. this Ruling shall not cease to be effective by reason only of non-compliance with the condition in paragraph 2 of this Ruling notwithstanding the compliance of AT & T with the condition in paragraph 3 hereof.

IN THE MATTER OF THE SECURITIES ACT,

AND

IN THE MATTER OF BITECH ENERGY RESOURCES LIMITED

ORDER
(Section 140)

UPON the application of Bitech Energy Resources Limited ("Bitech") to the Ontario Securities Commission (the "Commission") pursuant to section 140 of the Securities Act, R.S.O. 1980, c. 466 (the "Act") for an order varying the ruling issued by the Commission pursuant to section 73 of the Act on September 27, 1983 (the "Original Ruling") that the proposed grant by Bitech of certain options (the "Options") was not subject to sections 24 or 52 of the Act;

AND UPON it appearing to the Commission that:

1. The application filed in connection with the Original Ruling stated that certain of the Options were to be granted to Ned Goodman, and the Original Ruling reflected such statement; and
2. Bitech in fact intended to issue certain of the Options to Jodama Holdings Limited, a private company controlled by Mr. Goodman and members of his family, rather than to Mr. Goodman himself;

AND UPON the Commission being satisfied that to vary the Original Ruling would not be prejudicial to the public interest;

NOW THEREFORE IT IS ORDERED pursuant to section 140 of the Act that the Original Ruling is varied by deleting the name "Ned Goodman" from Appendix "A" thereto and substituting therefor the name "Jodama Holdings Limited".

2.12 MEDINA ENERGY RESOURCES CORPORATION

IN THE MATTER OF THE SECURITIES ACT,
R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF MEDINA ENERGY RESOURCES CORPORATION
MILLERS COVE ENERGY COMPANY, INC. AND
MEENRECO CORPORATION

RULING
(Section 73)

UPON the application of Medina Energy Resources Corporation ("Medina") and Millers Cove Energy Company, Inc. ("Millers Cove") to the Ontario Securities Commission (the "Commission") for a ruling under section 73 of the Securities Act, R.S.O. 1980, c. 466 (the "Act") in respect of certain trades in securities of Medina and in securities of a new company to be formed by the statutory merger (the "Merger") of Millers Cove and Meenreco Corporation ("Meenreco");

AND UPON it appearing to the Commission that:

1. Medina is an Ontario corporation, has been a reporting issuer since January, 1979, and is not in default of its obligations under the Act or the Regulations thereto;
2. The common shares of Medina are listed on The Alberta Stock Exchange and there is no market for such shares in Ontario;
3. Medina has authorized capital consisting of 14,865,000 common shares, of which 3,201,200 are issued and outstanding, and has outstanding warrants and options to purchase up to 2,994,000 common shares;
4. Millers Cove is a Michigan corporation and not a reporting issuer;
5. Millers Cove has authorized capital consisting of 10,000 non-voting convertible preferred shares, of which none are issued and outstanding, 500,000 non-voting common shares, of which none are issued and outstanding, and 500,000 voting common shares of which 195,620 are issued and outstanding, and has outstanding certain warrants and options; immediately prior to the proposed merger there will be 230,074 common shares of Millers Cove outstanding;
6. There are currently 18 holders of common shares of Millers Cove all of whom are residents of the United States, and one of whom holds approximately 80% of such shares;
7. Meenreco, a Michigan corporation, is a wholly-owned subsidiary of Medina, and was formed solely for the purposes of effecting the proposed merger;
8. Medina, Millers Cove and Meenreco are parties to an Agreement of Merger dated August 31, 1983 as amended (the "Merger Agreement"); which contemplates a statutory merger under the laws of the State of Michigan of Meenreco and Millers Cove so that Millers Cove will be the surviving corporation ("New Millers Cove");

9. Pursuant to the Merger Agreement:

- (i) Medina will be issued 230,074 common shares of New Millers Cove (the "New Millers Cove Common Shares");
 - (ii) the shareholders of Millers Cove will be issued forty-five common shares of Medina (the "Medina Common Shares") for each common share of Millers Cove previously held, subject to certain adjustments; and
 - (iii) all of the common shares of Millers Cove will be cancelled and New Millers Cove will become a wholly-owned subsidiary of Medina;
10. Immediately following the transactions contemplated in the Merger Agreement, outstanding warrants and options shall be exercised so that Medina will have outstanding 13,803,930 common shares of which former Millers Cove shareholders shall hold 10,353,330 common shares;
11. A meeting of the shareholders of Medina at which certain of the aspects of the Merger Agreement were approved was held on November 23, 1983;
12. A meeting of the shareholders of Millers Cove at which the Merger Agreement was unanimously approved was held on December 12, 1983;
13. A Right of appraisal will be given to the former shareholders of Medina; and
14. The Alberta Stock Exchange has given its preliminary approval to the transactions pursuant to the Merger Agreement;

AND UPON being satisfied that to so rule would not be prejudicial to the public interest;

NOW THEREFORE IT IS RULED that the issue of the Medina Common Shares to the former shareholders of Millers Cove pursuant to the Merger Agreement is not subject to sections 24 or 52 of the Act provided that:

- (a) no first trade of Medina Common Shares by a holder thereof acquired by the holder pursuant to the Merger Agreement shall be made in Ontario unless pursuant to a prospectus filed in Ontario for which a receipt is issued, an exemption from the prospectus requirements of the Act, or a Commission order or ruling;
- (b) The Alberta Stock Exchange has given its final approval to the transactions under the Merger Agreement;
- (c) all material filed with The Alberta Stock Exchange in respect of Medina shall be filed with the Commission; and
- (d) the former shareholders of Millers Cove shall be sent, prior to or contemporaneously with their receipt of the Medina Common Shares an explanation of the effect of foregoing condition (a);

AND IT IS RULED that the issue of New Millers Cove Common Shares to Medina shall not be subject to section 24 or 52 of the Act, provided that, for greater certainty, New Millers Cove shall not become or be deemed to have become a reporting issuer as a result of the merger pursuant to the Merger Agreement.

2.13 THE BEECROFT PARTNERSHIP

HeadnoteKey Words

Subsections 19d(1) and 19d(3) of the Regulation.

Text

The applicant, a limited partnership owning 46 condominium suites (the "Suites") in, and a 20.7% undivided interest in the common elements of, a residential building registered as a condominium corporation, applied to the Commission for a ruling pursuant to subsection 19d (3) of the Regulation exempting trades in limited partnership units from subsection 19d(1) of the Regulation. A limited partnership agreement between all members of the limited partnership granted each limited partner an option to purchase a Suite (the "Option") upon retirement from the limited partnership. The applicant was concerned that each unit might therefore be characterized as a security that "carries with it a present or future right to occupy a residential unit in a multiple unit residential property" within the meaning of subsection 19d(1) of the Regulation. The Commission granted the requested ruling on the ground that the Option could only be exercised upon retirement from the limited partnership and amounted to more than a mere present or future right to occupy a Suite.

IN THE MATTER OF THE SECURITIES ACT,
R.S.O. 1980, c.466

AND

IN THE MATTER OF THE BEECROFT PARTNERSHIP

ORDER

(Subsection 19d(3) (b) of the Regulation made
under the Securities Act, R.R.O. 1980, Regulation
910, as amended)

UPON the application of the Beecroft Partnership (the "Partnership"), established pursuant to a declaration under the Limited Partnerships Act, R.S.O. 1980 c. 241, as amended, filed with the Registrar of Partnerships on the 27th day of October, 1982, to the Ontario Securities Commission (the "Commission") pursuant to section 19d(3) of the Regulation made under the Securities Act, R.R.O. 1980, Regulation 910, as amended (the "Regulation") for an order that any trade or intended trade in units of the Partnership is not subject to subsection 19d(1) of the Regulation;

AND UPON it being represented to the Commission that:

1. The Partnership is the beneficial owner of 46 condominium suites (the "Suites") in, and a 20.7% undivided interest in the common elements of, a residential building located in the City of North York known municipally as 131 Beecroft Road, North York, also known as "Manhattan Place" (the "Property");
2. The Property is registered as Metropolitan Toronto Condominium Corporation No. 595 pursuant to the Condominium Act, R.S.O. 1980, c.84, as amended, and a declaration made by the developer, Cam-Nest Developments Limited, dated December 23, 1982 has been duly registered in the Land Registry Office for the Land Titles Division

of Metropolitan Toronto, as instrument no. B-762963 on December 30, 1982;

3. The Partnership began renting the Suites following registration of the Property as a condominium and, as of the date hereof, all of the Suites are rented;
4. The Property qualifies under the Income Tax Act, R.S.C. 1952, c. 148, as amended, as a multiple unit residential building ("MURB") entitling the owners of the Property, including the Partnership's limited partners, to partake of certain income tax advantages, as evidenced by a certificate, no. 36833, issued by CMHC on March 2, 1981;
5. A limited partnership agreement amongst all unitholders of the Partnership, including 526859 Ontario Inc., the general partner, and each of the limited partners (the "Agreement"), grants each limited partner an option to purchase one of the Suites from the Partnership for a purchase price specified in the Agreement (the "Option") provided the limited partner retires from the Partnership upon exercise of the Option;
6. The income tax advantages referred to in (4) above are only available to the limited partners of the Partnership if the Suites are used for the purpose of producing income. Accordingly, any Suite which is owner-occupied will not qualify for the income tax advantages associated with a MURB. Limited partners are therefore required to retire from the Partnership upon exercise of the Option because the Agreement provides for a per unit distribution of income and expenses to each of the limited partners, the amount of which would be reduced if a limited partner took possession of a Suite;

AND UPON the Commission being of the opinion that it would not be prejudicial to the public interest to do so;

IT IS ORDERED pursuant to subsection 19d(3)(b) of the Regulation that any trade or intended trade in units of the Partnership is not subject to subsection 19d(1) of the Regulation.

HeadnoteKey Words

Section 73 of the Act - Clauses 14(g) and 19a(1) of the Regulations - Subparagraph 71(1)(f)(iii) of the Act - hold period abridgement.

Text

The Applicant, a reporting issuer incorporated under the laws of Alberta, proposed to issue units pursuant to clause 14(g) of the Regulations which consisted of a right to earn floating rate, convertible, cumulative, redeemable, preferred shares of the Applicant (the "Preferred Shares") to be issued in reliance upon subparagraph 71(1)(f)(iii) of the Act. The Preferred Shares were in turn convertible into Class A shares of the Applicant which were also to be issued in reliance upon subparagraph 71(1)(f)(iii). The Applicant applied for a ruling pursuant to subsection 73(1) of the Act exempting the first trade of Class A shares from the prospectus requirements of sections 52 and 61 of the Act because an order of the Commission under section 140 of the Act dated October 19, 1983 (the "Blanket Ruling") did not apply to the Class A shares because the Preferred Shares were issued pursuant to subparagraph 71(1)(f)(iii) of the Act rather than clause 14(g) of the Regulations. The Commission granted the requested ruling on condition that the hold period applicable to the Class A shares must have elapsed since the date of the acquisition of the units which consisted of the right to earn the Preferred Shares before a first trade in the Class A shares could be made.

Staff Comment

It would appear from the need for such a ruling that the meaning of the words "...acquired in connection with an initial trade..." in clause 19a(1) of the Regulations will be interpreted broadly by the Commission to refer to the first trade which gave rise to the right to purchase, convert or exchange a security, in this case the initial distribution of the units. It would also appear that, upon application, the Commission is prepared to extend the Blanket Ruling to security transactions involving more than one conversion right in the case of earned shares where the only investment decisions to be made are in relation to the purchase of a security and a subsequent conversion.

IN THE MATTER OF THE SECURITIES ACT, R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF LOCHIEL EXPLORATION LTD.

RULING
(Section 73)

UPON an application on behalf of Lochiel Exploration Ltd. (the "Company") to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R.S.O. 1980, c. 466 (the "Act") that certain first trades in Class "A" Non-Voting Shares (the "Class A Shares") of the Company are not subject to section 52 of the Act;

AND UPON it being represented that:

1. the Company is incorporated under the laws of Alberta;

2. the Company is a reporting issuer under the Act and has been a reporting issuer for at least 18 months;
3. the Class A Shares, the Class "B" (voting) Common Shares and the Class A Series A 9% Convertible Preferred Shares of the Company are listed and posted for trading on The Toronto Stock Exchange and the Class A Shares and the Class "B" (voting) Common Shares of the Company are listed and posted for trading on the Alberta Stock Exchange;
4. the Company has offered and is offering in the Province of British Columbia, pursuant to a ruling of the Superintendent of Brokers of British Columbia, Units consisting of the right to earn Junior Preferred Shares, Series B (the "Series B Preferred Shares") of the Company on the incurring of Canadian Exploration Expense within the meaning of the Income Tax Act (Canada);
5. the Company is offering in the Provinces of Ontario and Alberta pursuant to the exemption contained in clause 14(g) of the Regulation to the Act and the equivalent exemption in Alberta, Units consisting of rights to acquire Floating Rate Cumulative Convertible Redeemable Junior Preferred Shares Series C (the "Series C Preferred Shares");
6. The Series B Preferred Shares and the Series C Preferred Shares are convertible into Class A Shares;

AND UPON the Commission being satisfied that to grant this ruling would not be prejudicial to the public interest;

IT IS RULED pursuant to subsection 73(1) of the Act that the first trades in Class A Shares acquired on the conversion of Series B Preferred Shares and Series C Preferred Shares which were acquired on the right to earn such Shares described in paragraphs 4 and 5 of this ruling are not subject to section 52 of the Act, provided that:

- (a) at the time of such first trade, the Company is a reporting issuer and is not in default of any requirement of the Act or the Regulation;
- (b) the applicable hold period has elapsed from the date of acquisition of the right to earn the Series B Preferred Shares or the Series C Preferred Shares, as the case may be, by the vendor;
- (c) the vendor files with the Commission a report of the first trade in the prescribed form within 10 days of the trade;
- (d) such trade is not a distribution as defined in sub-paragraph 1(1)11(iii) of the Act; and
- (e) no effort is made to prepare the market or create a demand for the Class A Shares and no extraordinary commission or consideration is paid in respect of such trade;

And for the purposes of paragraph (b) of this ruling, the term "hold period" means that period of six, twelve or eighteen months which would be applicable to the Class A Shares had they been acquired directly pursuant to an exemption referred to in subsection 71(4) of the Act.

NOTICES/PRESS RELEASES

1.1 PRESS RELEASE

1.1.1 GREENLINE INVESTOR/DISCOUNT BROKERAGE SERVICES

PRESS RELEASE

The Ontario Securities Commission has released in final form the order, conditions of registration and proposed amendment to the Regulation under the Securities Act to implement the recommendations in its October 31, 1983 report entitled "Report on the Implications for Canadian Capital Markets of the Provision by Financial Institutions of Access to Discount Brokerage Services". Copies of these documents are available from the Commission and will be published in the Commission Bulletin.

The effect of the order and conditions of registration will be to impose upon any person or company "providing and actively promoting or marketing a service pursuant to which another person or company may place with the order execution access dealer an order to purchase or sell securities for execution through another dealer registered under the Securities Act or for execution outside Ontario through another person or company..." an obligation to register with the Commission as an "order execution access dealer".

Because of the variety of persons or companies which may seek registration as order execution access dealers, certain conditions of registration will be settled on an individual basis by each applicant and the Director.

Generally, however, order execution access dealers will be subject to the conditions of registration applicable to all registrants except those which the Director determines to be inappropriate in the circumstances of a particular applicant. Conditions of registration will, however, include the obligation on the part of the "order execution access dealer" to advise clients upon the suitability of a proposed trade, and to disclose to customers the prohibition against the giving of investment advice, subject to discharging the suitability obligation. Other conditions will include a prohibition against tied arrangements with executing dealers.

The proposed amendment to the Regulation under the Act limits the exemption for specified financial institutions from the requirement to register as an underwriter in respect of certain trades, such as a private placement. The exemption will only be available to an institution which had the power under its governing legislation to act as underwriter at October 31, 1983, the date of the Commission's Report.

The effect of the amendment is to freeze the exemption, as of October 31, 1983, for those financial institutions which were then authorized by their governing legislation to underwrite. In addition, the amendment will require any financial institution which acts as an underwriter pursuant to authority conferred subsequent to October 31, 1983, to seek an underwriter registration or to seek an exemption from the obligation to register. In each case, the Commission will have an opportunity to consider the public interest of the expanded authority based upon the recommendations of the Commission in its Report.

1.2 DISCOUNT BROKERAGE SERVICES

Provision by Financial Institutions
of Access to Discount Brokerage Services

In the OSC Bulletin of November 18, 1983 (1983 OSCB 3930), the Commission published for comment a draft order under section 124 of the Securities Act (the "Act"), draft conditions of registration for order execution access dealers and a draft amendment to section 141 of the Regulation under the Act. As explained in the Notice which accompanied them, the drafts when finalized would carry into effect the findings made and actions recommended by the Commission in its October 31, 1983 Report on the Implications for the Canadian Capital Markets of the Provision by Financial Institutions of Access to Discount Brokerage Services (the "Report").

The Commission received comments on the November 18 drafts from a number of sources. Redrafts were prepared and the Commission requested further responses from those who had commented initially. On January 10, 1984 the Commission approved in principle the final form of the documents, which appear as schedules to this Notice. The following is a brief explanation of the more important changes made to the November 18 drafts.

Order under Section 124

Schedule A to this Notice is the final form of order made by the Commission under section 124 of the Act on January 10, 1984. The order narrows the registration exemption in paragraph 34(1)11 available to banks and trust companies, and accordingly has the effect of requiring a bank or a trust company which wishes to provide and actively promote or market an order execution access service to be registered with the Commission as an order execution access dealer. Other persons or companies, including other financial institutions, wishing to provide and actively promote or market order execution access services have not had a comparable registration exemption and therefore have always been required to register with the Commission.

As the Commission noted in the Report, a bank or a trust company should be permitted to rely upon the registration exemption in paragraph 34(1)11 of the Act only if it does not actively promote or market the order execution access service. Relying upon comments it received, the Commission decided that the best approach would be to adopt in the order a more general test involving a determination of whether or not the service in fact was being actively promoted or marketed, and to eliminate the detailed description contained in the initial draft order of the activities permitted and prohibited without registration.

Based upon the evidence adduced at the public meeting which provided a basis for the Report, it appears to the Commission that banks and trust companies in most cases need not be registered under the Act in order to continue to provide order execution access services in the same way that those services were provided prior to April 1, 1983 when negotiated brokerage rates were introduced in Ontario. For example, the display and provision to customers on request of brochures or pamphlets indicating that an order execution access service is available would not generally constitute active promotion or marketing in the view of the Commission. Other activities may constitute active promotion or marketing and persons or companies providing an order execution access service may wish to consult with the staff of the Commission, and if necessary the Commission, for clarification in appropriate cases.

The order was also amended by expanding the definition of "order execution access service" in order to make it clear that registration cannot be avoided merely by arranging for the execution of customers' trades outside Ontario.

Order Execution Access Dealers - Conditions of Registration

Schedule B to this Notice is the final form of general conditions of registration applicable to order execution access dealers.

Part A has been amended by combining in paragraph A.1 what was contained in paragraphs A.1 and A.3 of the November 18 draft and by making the language compatible with the section 124 order.

What was Part B of the November 18 draft has been eliminated entirely and what was Part C has become Part B. The reasons for this change are partly reflected in paragraph B.1 of Schedule B to this Notice. In addition, part B of the November 18 draft clearly would have been appropriate only for a financial institution having a high degree of financial stability. The change was appropriate since the conditions of registration are intended to apply to all order execution access dealers, including non-institutions.

The Commission decided that it would be more efficient and more flexible for it to assign to the Director under section 6 of the Act the Commission's powers under section 93 of the Regulation. However, since the scope of section 93 of the Regulation is limited, paragraph B.1 also contemplates that the Commission may exercise its powers under section 73 of the Act in appropriate circumstances.

What was paragraph C.2 of the November 18 draft was the subject of a number of comments. The Commission intended to indicate in paragraph C.2 that registration did not confer any additional rights which the registrant did not otherwise have in connection with distributions and exempt distributions of securities. Paragraph B.2 of Schedule B reflects that intention and also deals with both the advising and primary market activities which were dealt with separately in paragraphs C.1 and C.2 of the November 18 draft.

Paragraph B.3 gives effect to the statements made by the Commission in subparagraph 6.10.4 of the Report.

Paragraph B.4 of Schedule B has been amended to give the Director discretion in connection with tied arrangements. For example, in an appropriate case the Director may exercise his discretion to permit what might otherwise be a prohibited tied arrangement if a substantial portion of orders were placed through an executing dealer offering superior service and prices and if the Director was satisfied that no influence is sought to be exercised over the executing dealer.

Paragraph B.6 has been amended to give the Director discretion in connection with centralized trading operations. In appropriate cases the Director may exercise this discretion to permit an order execution access dealer to provide a "passive" order execution access service on a decentralized basis in addition to a centralized actively promoted service.

Draft Amendment to Section 141 of the Regulation

Schedule C to this Notice is a draft amendment to section 141 of the Regulation under the Act.

The Commission determined that the general exemption from the requirement to register as an underwriter in respect of certain trades, including private placements, should be available to a financial institution only if the

institution was entitled to act as an underwriter under its applicable governing legislation and regulations as in force on the date of the Report.

The effect of this amendment will be to require any financial institution whose powers to engage in underwriting activities are expanded after October 31, 1983 to seek registration or an exemption from registration in respect of those activities. This will give the Commission an opportunity to assess the implications of such activities in the public interest as expressed by the Commission in its Report.

The Commission has forwarded the proposed amendment to the Regulation to the Government for its consideration.

The Commission would like to express its appreciation to those who provided comments on the November 18 drafts which were of great assistance to the Commission in deciding upon the final forms of Schedules A,B and C to this Notice.

SCHEDULE A

IN THE MATTER OF THE SECURITIES ACT,
R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF DISCOUNT BROKERAGE
AND THE ROLE OF FINANCIAL INSTITUTIONS

ORDER
(Section 124)

WHEREAS pursuant to a notice of meeting dated May 5, 1983 the Ontario Securities Commission (the "Commission") convened a public meeting (the "Meeting") for the purpose of receiving evidence and submissions from interested parties relating generally to discount brokerage and the role of financial institutions in providing brokerage and related services to the public;

AND WHEREAS the Meeting was completed on September 27, 1983 after all parties who wished to submit evidence or make submissions thereat had been provided an opportunity to do so;

AND WHEREAS the Commission considered the evidence given and submissions made at the Meeting and issued its Report on the Implications for the Canadian Capital Markets of the Provision by Financial Institutions of Access to Discount Brokerage Services (the "Report") dated October 31, 1983;

AND WHEREAS the Commission, as stated in the Report, is of the opinion that it is in the public interest to require registration under the Securities Act, R.S.O. 1980, c. 466 (the "Act") in a special dealer category of any person or company (an "order execution access dealer") providing and actively promoting or marketing a service (an "order execution access service") pursuant to which another person or company may place with the order execution access dealer an order to purchase or sell securities for execution through another dealer registered under the Act or for execution outside Ontario through another person or company;

AND WHEREAS the Commission is of the view that the exemption in paragraph 34(1)11 of the Act may permit a bank to which the Bank Act (Canada) applies or a trust company registered under the Loan and Trust Corporations Act (collectively, "institutions") to provide and actively promote and market an order execution access service without being registered under the Act;

IT IS ORDERED pursuant to section 124 of the Act that the exemption in paragraph 34(1)11 of the Act does not apply to an institution which provides and which actively promotes or markets an order execution access service.

DATED at Toronto this 10th day of January, 1984.

"Peter J. Dey"

SCHEDULE B

ORDER EXECUTION ACCESS DEALERS

CONDITIONS OF REGISTRATIONPart A - Order Execution Access Category

1. Any person or company (an "order execution access dealer") which provides and which actively promotes or markets a service (an "order execution access service") pursuant to which another person or company may place with the order execution access dealer an order to purchase or sell securities for execution through another dealer registered under the Securities Act (the "Act"), or for execution outside Ontario through another person or company, shall be required to obtain registration under the Act and the Regulation as an order execution access dealer.
2. Notwithstanding paragraph 1, a dealer registered in any of the categories of broker, broker-dealer, investment dealer or securities dealer, except in the category of securities dealer - type II bank, shall not be required to be registered as an order execution access dealer.

Part B - Conditions of Registration

1. Owing to the variety of persons and companies which may seek registration as order execution access dealers, the conditions of registration will be settled on an individual basis by each applicant and the Director. Generally, order execution access dealers will be subject to the provisions of the Act and Part V of the Regulation applicable to dealer registrants. In appropriate cases relief from these provisions will be permitted by the Director to whom the Commission will delegate, pursuant to section 6 of the Act, its powers in this connection under section 93 of the Regulation, or by the Commission itself through an exemption order under subsection 73(1) of the Act. However, in each case, conditions substantially as set out in paragraphs 2 through 6 below will be included.
2. Registration as an order execution access dealer does not confer on the registrant any rights which it does not otherwise have to act as an adviser, or to act as an underwriter or as a member of a selling group in connection with a distribution of securities whether or not exempt from the registration and prospectus requirements of the Act.
3. The application forms to be completed by customers of an order execution access dealer shall contain a statement to the effect that the dealer is not allowed to give advice concerning investing in or buying or selling securities. In addition, if the order execution access dealer is, or is an affiliate of, a financial institution (that is a bank, a loan corporation, a trust company, an insurance company, a credit union or a caisse populaire) the application form shall contain a statement to the effect that there is no inherent assurance as to the wisdom of investment decisions made by the customer by virtue of dealing through the financial institution or its affiliate. A copy of the application form or forms in use from time to time shall be filed with the Deputy Director, Registration.

4. Except as otherwise permitted by the Director, an order execution access dealer shall not enter into any tied arrangement with a dealer registered in any other category. A "tied arrangement" means an understanding, formal or informal, or other arrangement pursuant to which an order execution access dealer directs all or a substantial portion of orders or brokerage commissions or other fees to another dealer or pursuant to which an order execution access dealer, through the allocation of orders or through any other means, may be in a position to materially influence the affairs of another dealer.
5. An order execution access dealer shall file with the Commission within 30 days following the end of each calendar quarter, or on a more frequent basis if the Director so requires in any particular case, a report certified by a senior officer stating the number of orders allocated and the aggregate brokerage commissions and other fees paid or payable to each dealer to whom the order execution access dealer allocated orders in the preceding calendar quarter.
6. Except as otherwise permitted by the Director, an order execution access dealer shall arrange its affairs in a manner such that orders to purchase or sell securities may be communicated by customers only to an individual located at a central trading office of the dealer who is registered with the Commission as a salesman or as a dealer and who has satisfied the proficiency requirements prescribed in the Regulation. The number of central trading offices established by an order execution access dealer in Ontario shall be subject to the approval of the Director.

1. CDL is indebted to Patrician Land Corporation ("Patrician"), a wholly owned subsidiary of Fidelity Trust Company for approximately \$21,200,000 under an agreement of sale between them dated June 10, 1981 bearing interest at 13% per annum payable semi-annually. CDL has entered into an agreement in principle dated November 29, 1983 (the "Patrician Agreement") with Patrician with respect to this agreement that:
 - (a) Interest accrued to June 10, 1983 and interest thereon, aggregating \$910,099.23 at November 15, 1983, will be converted into Class A Common Shares of Carma Ltd. at \$3 per share giving rise to the issue of an additional 303,366 Class A Common Shares;
 - (b) Interest on the first \$12,000,000 of such principal will continue to be payable half-yearly on December 10 and June 10 in cash at the rate of 10% per annum commencing December 10, 1983 to June 10, 1986;

(c) The excess of the interest payable on such first \$12,000,000 over 10% per annum for such period will be present valued at 13% as will the entire interest obligation on the remaining \$9.216 million of such principal for such period. The aggregate present value of such interest is approximately \$3,060,000. Such interest obligation will be settled by the issuance of Class A Common Shares of Carma Ltd. at \$3 per share giving rise to the issuance of not more than an additional 1,086,000 million Class A Common Shares;

(d) Patrician will be given the option on December 30 in each of 1983-1986 inclusive to convert up to but not exceeding \$9.216 million aggregate principal amount of such mortgages in Class A Common Shares of Carma Ltd. at a price equal to the greater of current market value on the exercise date and

(i) \$3 per share on December 30, 1983,

(ii) \$4 per share on December 30, 1984,

(iii) \$5 per share on December 30, 1985, and

(iv) \$5 per share on December 30, 1986

which would give rise to the issuance of not more than an additional 2,288,000 million Class A Common Shares of Carma Ltd. On any exercise of this option on or prior to June 10, 1986 there will be an adjustment in respect of shares issued under clause (c) above with respect to interest for periods following the exercise date.

2. The Common Shares of Carma are listed on the Alberta and Toronto Stock Exchanges;

AND UPON being satisfied that to so rule would not be prejudicial to the public interest;

IT IS RULED pursuant to subsection 73(1) of the Act that the issue of Patrician pursuant to the Patrician Agreement of up to but not exceeding 3,678,000 Class A Common Shares of Carma is not subject to section 24 or 52 of the Act, provided that:

1. All approvals required pursuant to the by-laws and policies of The Toronto Stock Exchange have been obtained; and
2. The first trades in Common Shares received by Patrician Investors shall be subject to section 71(5) of the Act and section 18a of the Regulations as if such Common Shares had been issued pursuant to one of the exemptions referred to in such section 71(5).
